### To Whom It May Concern,

It is with great enthusiasm that I write this letter of recommendation for Mr. Ramon Marquez, a 5th-grade Science teacher at the Academy of Math and Science - Glendale. I have had the pleasure of knowing and working with Mr. Marquez since May of 2024, and during this time, he has consistently demonstrated exceptional professionalism, dedication, and leadership qualities.

Mr. Marquez possesses excellent classroom management skills, creating a structured and respectful learning environment that enables all students to thrive. His ability to engage students in meaningful and interactive lessons is truly remarkable, fostering curiosity and a deep understanding of scientific concepts. His students consistently show enthusiasm for learning and achieve impressive academic growth under his guidance.

Beyond his exceptional teaching capabilities, Mr. Marquez exhibits qualities that make him a strong candidate for an assistant principal position. He is a collaborative and supportive team member, always willing to share strategies and mentor colleagues. His leadership skills, coupled with his ability to build positive relationships with students, staff, and families, position him as an asset to any educational team.

I am confident that Mr. Marquez will excel as an assistant principal, bringing his dedication to student success, strong leadership abilities, and commitment to educational excellence to the role. I wholeheartedly recommend him for this position without reservation.
